OAXACA MISSIONS REPORT

THE JACKSON FAMILY

Left to Right: Stephanie, Danikka, Garrett, Caleb, Brikenya, and Mikkaela.

Garrett and Stephanie have been with us and FLYING FOR JESUS for 19 years and serving in Mexico for 18 years. They live in Oaxaca City and minister by coming alongside of the local indigenous pastors and churches in the surrounding villages and small towns in remote areas of this region; teaching, training, and encouraging the Mexican family of Believers.

PROCLAIM THE KINGDOM...

HEAL THE SICK.... CAST OUT DEMONS

"As you go, preach this message: 'The Kingdom of heaven is near.'

Heal the sick, raise the dead, cleanse those who have leprosy, drive out demons.

Freely you have received, freely give." Matthew 10:7-8

Saturday, 11 January 2014/Juchitan

- We took this mandate to Oaxaca and Holy Spirit did the rest.
- A woman with intestinal cancer and internal burns from radiation treatment. As Garrett and Joe prayed she felt God's peace come over her along with healing heat. She was happily giving them both a hug for coming to her bedside to pray.
- **Evening Meeting**
- We started ministering at 6:30 pm and finished after midnight.
- Eighty people showed up for this one night event. Seventy-six came for prayer and all but one were healed on site.
- With grateful hearts all gave testimony to their healing in sobs and tears of joy.

- A woman with a hernia was healed and it completely disappeared in moments.
- A young man with a sinful past but not feeling "clean". He felt he had a demon and asked for prayer. As we prayed he backed away saying he was fearful. Joe spoke to the demon and the young man was delivered and his face transformed as he said his fear was now gone!
- A 13 years old young boy came for prayer full of conviction for being pulled away from God and in torment. After 20 minutes of prayer the peace of the Father came over him and with calm and joy.
- More stories page 2. We praise our God for His great love that heals and frees. Note that we teach them how to walk out their healing experience. *Joe Uaine*

Garett and Stephanie have been Flying For Jesus missionaries in Mexico for 18 years, with eight of those years in Oaxaca. What you read in this report is the fruit of their labor of love and commitment to these people.

Top Photo...12 year old Abigail

- Her mother had raised her hand for prayer as having felt heat in her body and then told us she believed it was for her daughter. So Abigail was brought in from the upstairs Sunday School to be prayed over. She was so willing for this and as we prayed for her she got very excited and happy as her whole body was heating up, in a good way, and she said that she felt well. We patiently wait for confirmation when she again sees her doctor and we ask you to pray with us for her healing to be complete and a good report.

Middle Photo...Garett and Jose Eli

- We don't know when his healing occurred but Jose Eli had been a diabetic for eight years and was blind for five years. God completely healed him and it changed his life. He was so excited to have Joe and Garett come and do a healing ministry. He had felt like he was all alone and then they showed up. He traveled with them and participated in the rest of their ministry time in southwest Oaxaca and was a blessing to them and others.

Evonne (no photo)

- For several months she had been experiencing what her medical doctor called "nerves" and depression. After a couple more questions, Marian received a word of knowledge for her of anxiety based in fear. Doing this publicly one would not want to expose a person so we prayed for her to be delivered from whatever fear she had manifesting in anxiety in her life and her depression. As we prayed, and this took several minutes, she began feeling heat in her all over her body and we watched as her whole demeanor and countenance changed from depression to joy and relief. She felt the release of her depression and nervousness go. What a joy! Everyone was clapping as they watched the transformation in her countenance and demeanor. Free, at last, because of JESUS.

Francisco's Miracle (no photo)

- Francisco, 72 years and father of their former pastor Juanito who passed away at the end of our visit last year, has a brain damaging disease resulting in convulsions and mental fogginess. He is taking meds for the convulsions. We went to where he was seated and prayed over him and he began to shake in his shoulders. He then began to weep but when asked what was happening he could not speak. Garett leaned in and something was said but Garett was also weeping with him. We continued to pray until Francisco lifted his head and spoke and Garett translated. Francisco's word were, "I feel awakened!" That brought cheering and thanksgiving and more prayer. Then again Francisco spoke, "I feel renewed!". You could only be there to feel the exaltation and wonder. Every time I see God heal I am amazed. I don't ever want any of this to become routine.

- We are so thankful for the donations that enable us to give away MegaVoice audio/solar Bibles to those who are unable to read. It blesses us to bless them and we bless those of you who have donated to this project. In 2013 we were able to give 80 units to Garett for Oaxaca and 200 units to the Woods in Dondo, Mozambique, Africa. We invite you to partner with us in this ongoing project.
